

Your support, our admirals' flying wings

Welcome to Parent Support Group (PSG)

What do we do?

1

PSG facilitates timely and effective communication between the school and parent community, thus strengthening the school-home partnership.

2

PSG supports parents with resources on parenting tips & strategies, offers guidance, and helps parents strengthen parent-child relationships.

3

PSG journeys together with parents and their children, promoting emotional resilience and well-being among students.

Positive impact of your support

1

Parental involvement and effective school-home partnership are forms of emotional support to children.

2

Parental involvement sets children up to develop a lifelong love of learning.

3

Children show more positive attitudes when parents are closer to them and understand them better.

4

Supporting students' holistic development and nurturing a thriving school environment.

Our signature initiative and activities

1

"Let Us Chat!" - We empower parents with knowledge and skills to support their children's learning and well-being.

2

"Tea Session With School Leaders" - We provide a unique opportunity for parents to engage in an open dialogue with school leaders.

3

Parent-Child Bonding Sessions and other activities - We provide platforms to create great memories and conversation starters for parents and their children.

Please don't hesitate,
